October 5, 2020

Dear Families,

We have officially completed the first day of our hybrid schedule. We'd like to thank our parents for assisting with a smooth reopening.

A few updates...

Meal Distribution: All district students – virtual learners as well as those resuming face-to-face instruction – will still be able to get free meals, and family income will not be a factor. Today, bus route meal distribution ceased as buses were needed to transport hybrid students to school. At Coosa Elementary School, meal pick up will be available on Tuesdays and Fridays from 3:30 – 4:30 in the front horseshoe at Coosa Elementary School. Meal cards will not be required to pick up meals at this time. If you have any questions, please contact the food service office at 843-322-0800 or 843-322-0809 (Spanish).

Bus routes: The PM bus routes were completed by the transportation department around 1:30 today. They have a few changes to make to the morning and afternoon routes, and plan to have those completed this evening/early morning. Bus routes can be viewed on the Beaufort County School District Website or the Coosa Elementary Website.

Transportation: Communication is key. Please make sure your child(ren) and their teacher knows how they are getting home daily.

Change in Transportation: If your child's mode of transportation changes, please send in a note with your child. The note should include: Student's name, date, details about the transportation change, and your name. We will contact you via the number in Power School to validate the change.

Same Day Change in Transportation: We realize that emergencies arise. If your child's mode of transportation changes after the start of the school day, an email must be sent to cestransportation@beaufort.k12.sc.us containing all the information above. The office will call to confirm receipt of the change.

Thank you,

Melissa Pender, Principal
Renee Roberts, Asst. Principal
