A MESSAGE TO PARENTS FROM THE ADMINISTRATION

Welcome to another great year at Coosa! We are in year four of “The Leader in Me” initiative to grow great leaders who “dream more, learn more, achieve more, and become more.” Coosa Elementary is honored to be the flagship elementary leadership school in Beaufort County, the 12th elementary school in South Carolina, and one of over 1,100 schools internationally to be a part of this initiative, based on Dr. Stephen R. Covey’s books *The Leader in Me* and *The 7 Habits of Highly Effective People*. The 7-Habits serve as the framework for the school leadership initiative and this school planner by teaching students how to make good choices, plan ahead and prioritize, work well with others, and take care of themselves in a healthy way.

This school planner embeds the 7-Habits in the students’ daily activities and events both at school and away. It is designed to help students organize their school assignments and other activities through daily, weekly, and monthly planning. It is also designed to serve as a communication tool for parents between school and home. We encourage parents to review the school planner daily with their child and have discussions about learning and developing good habits for success.

As the school year progresses, you will hear more about the leadership initiative, curriculum, and other opportunities to be involved in your child’s life at school. We believe that home, school, and community partnerships are essential to a successful school. We encourage all parents to be involved in parent education events, family nights at school, and participate in School Improvement Council (SIC) and Parent-Teacher Organization (PTO) functions. Everyone’s ideas and suggestions for continued school improvement are welcomed and valued. We also hope you will consider volunteering at the school in whatever capacity you are able. Please go to the Beaufort County School District website at http://www.beaufort.k12.sc.us/pages/BCSD/Parents_Students/Volunteers to complete the volunteer application.

Thank you for entrusting your children to us. If we can assist in any way, please let us know.

Sincerely,

Charles DelForge
Principal

STUDENT AND PARENT INFORMATION

ARRIVAL AND DISMISSAL

The school hours are **8:30am – 3:30pm.**

Morning Arrival

- 7:30 – 8:00 am Students report to the cafeteria. **Students may not arrive prior to 7:30 am because there is no supervision until then.**
- 7:45 – 8:10 am Students who do not eat breakfast at home may eat breakfast in the cafeteria. Students **MUST arrive by 8:00** in order to eat breakfast and get to class on time.
- 8:05 am Students are allowed to go to classrooms.
- 8:05 – 8:29 am Car rider drop-off on the pod side of the school (where staff supervises until 8:29am.) All students need to be in-route to their classroom.
- 8:30 am Morning announcements and the instructional day begins.
If a student arrives at school at or after 8:30 am, a parent or guardian MUST accompany the student into the office to sign him/her in and get a tardy slip for the child. At or after 8:30 am, students must present a tardy slip to his/her teacher in order to enter class.

Dismissal Process

Car riders are dismissed to the pod side of the school. Student will only be dismissed to a car – **no walk-ups.** Pick-up for Pre-K and students with documented medical needs takes place from the curb by the main entry. All traffic in this area is reserved for these students during dismissal time. Students who ride buses are dismissed to the cafeteria side of the school.

Late Afternoon

Parents must pick their children up by the end of dismissal. A child will be considered late being picked up when the students are brought to the office after the car rider line finishes. If the child is late being picked up, the parent or approved adult **MUST** come in to the office to sign out the child. Frequent late pick-ups will be closely monitored by administration and the social worker.

Early Dismissal – If a student needs to leave school early, the parent or guardian must sign them out at the office. Students may not be checked out early after 3:00 pm as we are preparing for dismissal. It is disruptive to student learning when calls are made to a classroom for pick up especially at the end of the day when lessons are being wrapped up, planners are signed, and backpacks are checked and organized. We will not dismiss a child to an unauthorized person. If someone else (approved by the parent/guardian) is to pick up your child, please advise the teacher in writing.

If a student must leave school early for a medical appointment, a note from the medical facility must be sent with the child the following school day. Please schedule appointments after school hours if possible.

Change in Transportation Arrangements – If a student’s normal way of getting home needs to be changed (example: car rider takes bus, going home with a friend, etc.), a **written note** from the parent must be received via fax, email, or signed letter by noon on the day the change is to take place (preferably the day before). This should also be accompanied by a phone call to the front office to be sure of its receipt. For safety reasons, phone calls alone are not accepted for any student transportation changes.

Fire Lane/Parking Requirements - For the safety of all and to keep the fire lane clear in the event of an emergency, do not park along the yellow curbs in the Drop-Off/Pick-Up Areas near the front office. If you need to come inside the school, please park in the designated “**Visitor**” parking spaces, or in the large parking lot.

ATTENDANCE REQUIREMENTS

Students are expected to be in attendance daily and in the classroom when announcements begin at 8:30 am. When students arrive late, they are missing important instructional time and information and don’t have adequate time to prepare for the school day.

Excused absences and tardies consist of:

- Illness or medical situation when attendance in school would endanger the health and well-being of the child and/or other students
- Serious illness or death in the child’s immediate family that reasonably necessitates absence from school
- Special and recognized religious holidays observed by the child’s faith
- A family emergency may also qualify as an excused absence with prior administrative approval.

Any other reason for an absence not mentioned above is considered unexcused. Family vacations are *not* an excused absence, and oversleeping is *not* considered an excused tardy. Excessive tardies, early check outs and absences (5 days or more in a marking period) will result in further examination with possible truency action.

When a student returns to school, he or she must bring a legibly written note (from the parents) which includes the following information:

- the student’s first and last name
- date(s) of absence
- reason for the absence
- the signature of the parent or guardian and a contact phone number and/or email

Notes from the doctor in the event of an appointment are also acceptable for the absence or tardy arrival to school. In the case of an absence, the student will be allowed to make up assignments within three days. If a student is absent due to an extended illness, additional time will be given to make up assignments on an individual basis. When a student is marked absent at school, this will generate a call to parents by the automated school messenger system.

Students who are tardy two or more times or checked-out early three or more times will not be recognized for Excellence in Attendance for the quarter and subsequently the school year.

BEHAVIOR EXPECTATIONS

Students have a right to learn in a safe and nurturing environment that is conducive to learning. It takes a team effort between students, school, and parents to provide a place where students not only achieve academic success, but also learn the qualities of being a good citizen who is responsible for his/her own behavior. To achieve this important goal, school-wide expectations for behavior in the classroom, cafeteria, hallways, and playground have been developed. These expectations also correlate with the "Beaufort County School District Student Code of Conduct" which every student will receive at the beginning of the school year and will be followed when disciplinary consequences must be taken. Expectations and procedures will be taught in detail with students at the beginning of and throughout the school year.

Items that Need to Stay at Home - Students are not allowed to bring the following items to school: matches, tobacco, medicine, guns, drugs, pets, electronic equipment, knives of any kind, toys, games, fireworks, unnecessary amounts of money or valuable items, gum, candy or soft drinks in bottles or cans.

School Bus Guidelines- REMEMBER... RIDING THE SCHOOL BUS IS A PRIVILEGE, NOT A RIGHT!

Students should be at their bus stop 10-15 minutes before the bus is scheduled to arrive. Buses may not arrive exactly at the same time every morning or afternoon. If the bus is late or missed, please bring your child to school. **ALL PRE-K AND KINDERGARTEN STUDENTS MUST BE BROUGHT TO THE BUS IN THE MORNING AND BE MET BY AN ADULT AT THE BUS STOP IN THE AFTERNOON**

Student Expectations on the Bus

1. When you board your bus, go directly to your seat. Sit down and remain seated until the bus arrives at school or your stop. Place book bags on your lap. Do not save seats.
2. Follow the directions and requests of the bus driver. She/he is the adult responsible for the safety of all students being transported.
3. Display proper behavior. Order and appropriate behavior must be maintained at times.
4. Use quiet, inside voices at all times. Loud talking or screaming may distract the bus driver or interfere with radio communications.
5. Do not throw objects inside the bus or out of the bus windows. Maintain safety at all times by keeping arms, hands, head, etc. inside the windows.
6. Always treat the bus driver and bus respectfully. Do not damage bus seats, walls, or windows. Do not eat, drink, or place litter on the bus.

Students are permitted to ride only the bus to which they have been assigned. Any requests to ride a different bus must be in writing from the parent and must be received by noon of that day (preferably the day before.) Telephone requests for change of bus are not permitted. If there is a problem on the bus, please encourage your child to inform the driver and school personnel upon arrival at school. If this occurs during an afternoon route from school to home, please contact the school. Any level of inappropriate behavior described in the Student Code of Conduct Handbook that goes against the Student Behavior Code will be dealt with in accordance to the consequences also described in the handbook.

CLINIC

The clinic is designed to provide basic health services to students, including first aid for cuts and abrasions, nose bleeds, stomach aches, headaches, insect bites, and general assessment of children who are not feeling well. In addition, if authorized by the student's parent and physician, basic health care treatments and/or medication can be administered. The school nurse also provides basic hearing and vision screening, supports the management of communicable diseases, and promotes health care education.

Children with special health care needs (asthma, diabetes, seizures, allergies, etc.) can receive individualized treatments in the clinic if the clinic personnel has the required documentation from the student's parent and physician. All parents of students with special health care concerns should discuss these directly with the school nurse.

In case your child becomes ill at school, or if he/she needs to take medication, or has an accident during school hours, it is imperative that clinic personnel have up-to-date emergency contact information. All parents should complete **INFO SNAP** at the beginning of the school year. This portal is available throughout the year. Information must be updated in the school clinic any time health or emergency contact information changes.

Medication(s) should be given at home. According to Beaufort County policy, **no medication will be administered at school without written permission by the parent as well as a written order from the physician.** This includes all over-the-counter medications, such as Tylenol and Ibuprofen. If your child frequently requires the use of a medication, please obtain the necessary documentation on the required **Medication Form** (available in the school clinic). Faxed physician orders may be used for temporary purposes, but original documentation is required within two weeks.

1. **All medication must be in the original container.** With prescriptions, ask your doctor or pharmacist to provide two labeled containers so you will have one for home and one for school.
2. All medications and/or related equipment must be taken directly to the School Nurse on duty by the parent/guardian.
3. It is the responsibility of the parent/guardian to inform the School Nurse of any changes in writing. **New medications or new doses will not be given unless a new Medication Administration Form is completed.**
4. Unused medication should be retrieved from the school clinic within one week after the medication is discontinued; otherwise the school will dispose of the medication.

In order to keep the spread of illnesses to a minimum, students with contagious illnesses or conditions must not be sent to school. No student who shows evidence of acute illness will be permitted to remain in school. Symptoms include fever, vomiting, excessive coughing, excessive nasal discharges, or diarrhea. Students arriving at school displaying any of the afore mentioned symptoms will be sent home. **Students must be free of these symptoms for at least 24 hours before returning to school.** Additionally, any students with head lice must be sent home to be treated. After completion of treatment, the child must return with a parent/guardian to the NURSE for clearance to be admitted to class.

COMMUNICATION

Conferences - We encourage parent-teacher and parent-administration conferences throughout the year. Conferences may be arranged by calling the teacher's direct line to voicemail, emailing, or sending the teacher a note. Please remember that conferences may not be held during instructional time. Phone or email conferences can also be arranged as needed if scheduling conflicts prevent a face-to-face conference from occurring.

School Communication - Weekly class and school newsletters, agendas, marquee, and the school website are used to keep parents and the community informed. Please check these frequently (at least weekly.) One of our main forms of communication is through School Messenger. When you get an automated call from the Beaufort County School District or Coosa Elementary, it is most likely a message from Mrs. Dillard. Please take the time to listen to the message in its entirety to stay informed of important events and reminders.

School Improvement Council (SIC) - Each school is required by the Education Improvement Act to set up a School Improvement Council. The council is composed of parents, teachers, and other community members interested in improving the quality of education available to the children of Coosa Elementary School. Parents and community members are welcome and encouraged to attend.

SCHOOL MESSENGER RAPID CALLING SYSTEM

Coosa School Messenger is an automated system that has the capability to call parents when students are absent and communicate directly with every family to provide news about upcoming school events and other school-based news or emergencies. It provides a report afterward indicating the number of families contacted (either directly or by voicemail), those where there was no answer, and those where numbers have been disconnected. In order for School Messenger to function efficiently and contact everyone as needed, it is very important that parents notify the school of any change in phone numbers(s) and email.

SNACKS/TREATS FOR YOUR CHILD'S CLASS

Your child's teachers will coordinate arrangements for any snacks needed. In order to promote good health habits, all snacks should be nutritional, and high sugar content should be avoided. Commercial soda will not be permitted. If you are providing snacks to the entire class, please check with your child's teacher ahead of time about any food allergies or restrictions that might need to be considered. *If your child is celebrating a birthday, you may bring a nutritional treat for the class during the lunch period only. **Do not bring cupcakes or cake.*** Suggestions for healthy choice snacks can be found at <https://www.sodexoeducation.com/>.

VOLUNTEERS

Volunteers are a vital part of Coosa Elementary. We need volunteers every day. Your help can contribute to providing a better atmosphere in which our children will learn and thrive. During this time, we request that outside distractions (personal cell phone use, other discussions that distract from the learning experience of the classroom, etc.) be avoided to keep the focus on instruction. All volunteers must be approved yearly through the online district volunteer application process at http://www.beaufort.k12.sc.us/pages/BCSD/Parents_Students/Volunteers. It is important that each parent consider volunteering in some way. Please call the school for information on areas of need.
