Dear Families,

You may have already received a message from your child's teacher today concerning picking up items to assist students with their daily virtual lessons in **Kindergarten through 5<sup>th</sup> grades**. In an effort to accommodate our families, we have scheduled varied times for pick up. The items can be picked up in the car rider line on Friday, September 11th from 7:30 a.m. until 2:30 p.m. or on Sunday, September 13th from 11:00 a.m. to 2:00 p.m. You are more than welcome to have a trusted adult pick up the items for your child(ren). To make this process quick for our families, it is not necessary to get out of the car—simply tell us the child's name and grade, and we will hand you the materials through the window. If you cannot make any of these times, please call the school tomorrow, and we will take the necessary steps to get the packet to you prior to Monday.

I also want to remind our families that we will have a School Improvement Council meeting this evening beginning at 4:30. The zoom link and password is below.
