

BEAUFORT COUNTY SCHOOL DISTRICT
Suggested School Supply List for All Schools

Parents: Please note that the supplies on this list are **recommended** for students in order that they may be prepared for the school year. Purchasing supplies for the whole of the year, at the start of the year, may be more economical. Materials may be maintained at home and given to your child throughout the year or sent in to the teacher for distribution to your child as needed. School choice programs may recommend that students have specialty program-related items. The schools will identify those **recommended** items for parents at the start of the school year.
