Renee Roberts, Assistant Principal

Good Afternoon Bobcat Families!

Staff Member of the Year: Mrs. Tyson is no stranger to our students and parents! She is an integral member of our faculty and staff. Today she was honored at the district Staff Member of the Year Breakfast. CES is LUCKY to have her!

Lockdown Drill: Today, we conducted a planned lockdown drill. Our safety drills are conducted as routine drills in partnership with the Beaufort County Sheriff's Office. Please know that school safety is a priority for Beaufort County School District and Coosa Elementary School. The staff and students did an excellent job! If you have any questions or concerns, please feel free to contact administration.

Fire Department Visit: The Fire Department came back for another visit to our PK and 2nd-5th graders today to discuss fire safety. The students learned the acronym EDITH which stands for Exit Drills in the Home. Students are encouraged to share what they learned with their families by creating exit plans at home, checking to make sure the batteries are charged in smoke detectors, and locating the household fire extinguisher. We appreciate the continued support of the Lady's Island St. Helena Fire District!

SIC Meeting: There will not be a SIC Meeting in December.

Art Room Update: and Mrs. Sams The students have been busy in the Art Room working on paint, pottery, and pastels.

Makeup Pictures: Makeup pictures will take place on Wednesday, November 17, 2021 for students that were unable to take their photo or would like to retake a photo.

Coosa Read-a-thon: If your child participated in the Read-a-thon, please assist your child with spending the Read-a-thon Rat Bucks by **Sunday, November 28th.**

Coosa is...

"Growing great leaders who dream more, learn more, achieve more, become more..."

Turtle Habitat: Did you know that 4 turtles call CES their home? In 2013, one of our former students created a turtle habitat as his Eagle Scout Project. The habitat is located on the yellow playground.
